3. Claims and Adjudication Rules

4.2.1.3 E & M Services Not Separately Reimbursable

- The following CPT-4 codes for E & M services are not separately reimbursable if billed by the same facility, for the same patient, same principle diagnosis / chief complaint same on the same date - or within the subsequent week- of service. In such cases, for the following code combinations, reimbursement will be made only for the higher paying of the codes billed.
 - i. New patient, office or other outpatient visit (99201 – 99205) and another new patient, office or other outpatient visit (99201 –99205).
 - ii. Established patient, office outpatient visit (99211 –99215) occurring within 7 days from the initial New patient, office or other outpatient visit (99201 – 99205).
 - iii. New or established patient, subsequent hospital care (99231 –99233) and new or established patient, initial inpatient consultation (992551 – 99255). Applicable only for the same date of service.
 - iv. New or established patient, initial hospital care (99221 – 99223) and new or established patient, subsequent hospital care (99231 – 99233). Applicable only for the same date of service.
 - v. E&M visit on the same day of endoscopy, minor or major surgery, unless significant, and separately identifiable beyond the pre-operative and post-operative work of the procedure”.
- Calculation of the “Follow up within one week” starts from and includes the day of visit (ActivityStart); and shall be billed using Evaluation and Management of an established patient codes 99211 to 99215 at “0” value.

- E&M services rendered on the same date of service by the same facility, same clinician as that of a minor procedure (appendix 1), for the same principle diagnosis / chief complaint shall not be reimbursed separately. However:
 - I. A significant and separately identifiable E&M service unrelated to the decision to perform the minor procedure shall be separately reimbursable by reporting the E&M service with Modifier 25 if provided by the same physician on the same day as the minor procedure or service.
 - II. The physician must appropriately and sufficiently document both the E&M service and the minor procedure in the patient's medical record to support the claim for these services.
 - III. Modifier 25 shall only be appended to E&M services and may be applicable with multiple E&M services.
 - IV. Modifier 25 shall be reported as an observation field as defined in Routine Reporting requirements published at www.doh.gov.ae/shafafiya/reporting.
